

# Single Adults and Unmarried Couples

(and there are 10 million of us in California)

We are Watching to See How Legislators Vote on  
**AB 26 and SB 75**

SB 75 (Murray) gives domestic  
partner rights to all unmarried partners

AB 26 (Migden) excludes  
heterosexual domestic partners

Yes on SB 75

Abstain on AB 26

(unless the sexist restriction is removed)

## American Association for Single People

We promote the well being and civil rights of  
*all* unmarried adults with or without children.
