Members of AASP Who Are Elected Officials

Elected officials from all walks of life and all parts of the nation are joining AASP to show they care about the issues and concerns of the 80+ million unmarried adults in the nation.

If you are an elected official at the federal, state, or local level of government, we invite you to become an honorary member of AASP, regardless of whether you are single, divorced, widowed, married, or whether you live alone, with a roommate or domestic partner, or whether you are a single parent or live with unmarried relatives.

Just write or e-mail us to indicate that you would like to accept our invitation to become an honorary member of AASP.
