Outstanding Unmarried American Diane E. Watson

The American Association for Single People is pleased to present this award for Outstanding Unmarried American to California Congresswoman Diane E. Watson.

Single all of her life, Diane Watson has continually devoted herself to public service activities and has used her authority as an elected official to promote fairness for single people.

As an honorary member of AASP, she has worked through the media to encourage unmarried Americans to work together to secure equal rights and fairness as workers, consumers, and taxpayers.

For her ongoing service to equal rights and for the example she has set as a dedicated public servant, we are pleased to recognize Congresswoman Diane Watson as an outstanding unmarried American
