Dear Tom:

Sometime last Summer, we spoke briefly and you indicated that our Domestic Partnership Ordinance could be improved in several ways. I have enclosed a copy of our Ordinance and am wondering if you could find the time to give me some suggestions on how you would improve it. Now that you're lecturing at USC, maybe you can make it a class project.

Please do not hesitate to call me if you have any questions. I will probably call you within the next week or so just to chat.

Thank you for any assistance you may be able to give.

Very truly yours,

John Heilman
Mayor
