Re: Louisiana Electorate of Gays And Lesbians, Inc.
v. State of Louisiana

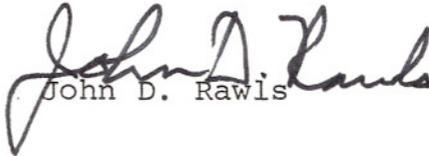

Dear Tom:

Thank you for mailing me the March 1995 compilation of anti-privacy laws. It was an invaluable resource that saved me untold hours of statutory research in this challenge to the Louisiana Crime Against Nature Statute, Louisiana Revised Statutes 14:89.

I am also using this research in State v. Baxley. As soon as the Application for Rehearing is ready to file with the Supreme Court of Louisiana later this week I will send you a copy of it and you will see how useful your research is in such a case.

Thank you again for your personal assistance in this matter.

Best personal regards,

John D. Rawls
