Dear Mr. Coleman:

Thank you for attending The Legal Committee meeting of the Triangle Foundation on Friday, August 11th. One of the participants has already called to thank me, again, for sending him an invitation. Everyone found the session useful and enjoyable. I will see to it that the materials you distributed are conveyed to the Legal Committee members who were unable to attend. The material you shared about the marital status case in Hawaii was especially significant for our Foundation's planning purposes. I look forward to working with you again.

Very Truly Yours,
