Dear Tom:

I asked David Link to pass on my congratulations to you, but it strikes me that I have been so busy lately on other litigation that I have never expressed them to you personally. Your victory in the Christian landlords case was significant, and I of course submitted the decision as supplemental authority in my case. No matter what grounds the court gives for its decision here, your valuable suggestions and insights will be a major factor if I win.

Sincerely,

A handwritten signature in blue ink that reads "Cliff". The signature is written in a cursive, slightly slanted style.
